

Dear Lorin Benneker

Every year, AO Spine Education International asks the Regional Boards to nominate a faculty member in their region who has demonstrated significant contribution to educational excellence.

We are delighted to inform you that you have been selected as the **2019 Regional Educator of the Year in Europe and Southern Africa**.

The award winners will be announced via the AO Spine website.

My sincere congratulations for this highly regarded distinction.

Best regards,  
Emre Acaroglu  
Chair of AO Spine Education Commission
